REMARKS

In reviewing the Examiner's Amendment in preparation for the payment of the issue fee, Applicants have noted a potential confusion in the claim recitation of a store circuit comprising a first store circuit, a second store circuit and a third store circuit. The amended claims now recite that the store circuit comprises first store circuitry, second store circuitry and third store circuitry.

Applicants submit that these amendments do not affect the allowability of the application and would request that the application not be withdrawn from issuance. If any extension and/or fee is required, authorization is given to charge Deposit Account No. **01-0484**.

Should any questions arise regarding the entry of this amendment, the Examiner is respectfully requested to telephone the undersigned at the Examiner's convenience.

Respectfully submitted,

MICHAEL W. TAYLOR
